

Customer Proprietary Network Information (CPNI)

OPT-OUT NOTICE

It is Central Broadband's responsibility under federal law to protect the confidentiality of your Customer Proprietary Information (CPNI). CPNI is any information that is not publicly available and includes the type of products and services you receive from Central Broadband, such as call detail billing records and services you purchase.

As a customer, you have the right at any time to restrict the use of CPNI for marketing purposes. If you choose not to permit us to disclose your CPNI with Central Broadband and our affiliates, you may opt-out of receiving such information. The services you are currently receiving will not be affected if you opt-out, however, restricting CPNI may make you ineligible to receive information from Central Broadband and our affiliates about new products and services, packaged offerings and various promotions.

If you **DO NOT** want to share your CPNI with our affiliates you should sign and return this form to our business office at the address below.

Central Broadband
125 N 2nd Street
PO Box 260
